CS108 - **Software Systems Lab**

Lab 1 - Basic Unix Commands

Student: Aditya Sanapala, 23b0912@iitb.ac.in
Lecturer: Kameswari Chebrolu, chebrolu@cse.iitb.ac.in

Problem 1: Introduction

This activity is to make you familiar with the basic Unix commands.
Go through and try out (via the command line) the commands listed in the other text file
(`commands.txt`) present in the lab directory.
